

## *Southwest Ontario Aboriginal Health Access Centre*

### **Nurse Practitioners (3) London & Chippewa Sites**

The mission of Southwest Ontario Aboriginal Health Access Centre (SOAHAC) is to empower Aboriginal families and individuals to live a balanced state of well-being by sharing and promoting holistic health practices. We seek 3 compassionate, dynamic Nurse Practitioners to become members of our multidisciplinary health care team, serving a diverse Aboriginal population south-west of London, Ontario. In collaboration with our regulated professionals, you will provide primary care services to our client base. You will also advocate on behalf of the client with regards to equitable access to traditional healing and conventional health care services, ensure Aboriginal values are integrated into program planning and facilitation, and collaborate with community partners to optimize care.

The successful candidate will have:

- current registration with the College of Nurses of Ontario registered in Extended Class;
- recent experience in a primary care setting or experience with outreach nursing;
- experience working with Aboriginal clients preferably in a Native organization or desire to learn,
- excellent communication and interpersonal skills;
- ability to manage time effectively

Specialization in issues related to chronic disease management, aging at home or mental health and addictions are considered assets. Valid class "G" license and access to reliable transportation required. One position is a contract until Oct 2012.

If you seek to make a noticeable difference in people's lives and contribute to our unique and highly regarded centre, please send your resume in confidence to:

**Please send resume by September 30, 2011**
